“The other teams could make trouble for us if they win.”

– YOGI BERRA

The Hall of Fame catcher was widely known for his inane remarks, such as the one above. Except for four games in 1965 with the NY Mets, Yogi played the rest of his career with the Yankees (1946–1963), winning ten World Series and three American League MVP awards. He was voted to the All-Star team fifteen times and managed sporadically before finally retiring from baseball in 1985.

post-game MOOD RATING:

- Bummer, so close...

- Blissful
